

Junior Girl Scout overnight

. The program would be from Saturday morning at 10 AM to Sunday Morning at 11AM.

Once the girls arrive, they will be broken into groups and assigned to an adult barn member as well as a youth that is a member of Worcestershire Pony Club. The girls and leaders will be walked through proper horse care and the reasons behind it, how to saddle a horse in the different types of saddles, the different types of housing that is used for horses and why. How to check fences and hazards to look for. They will also have a chance to ride under the supervision and direction of one of our instructors. They will help with feeding, water and daily chores at the farm. Classroom time will offer them some background on horses and their evolution and different uses. After dinner and a campfire under the stars, they will retire to tents in our indoor arena in the center of our barn surrounded by their new horsy friends. We have horses of all shapes and sizes and can accommodate the girls that may be apprehensive of our bigger residents with our mini horses for their hands on use. The girls will have the opportunity to explore the property, ask questions, learn some new skills and sing songs under the stars just like the cowboys used to do! This is a great opportunity.

Cost is \$50.00 Per person for the program and each troop will be responsible for their own food and beverages (To be kept in their coolers).

Dinner can be provided by Fairview Farms JJC for an additional \$5 per person and will consist of Hamburgers, Hotdogs, Salads Chips and drinks.

There is a minimum of 5 girls in order to set up a date and a maximum of 30 girls.
